Bowmanville,
Ontario, Canada L1C5L9

This contract is being established for stud service from the following male French Bulldog:

“BluFrenchibles Astro” Owned by Stacey Coldham

CKC Registration #HQ4036841

French Bulldog Genetic Panel - 4 Panel Health Clear (Certificate Include)

Animal Genetics DNA – n/AY, n/At, co/co, d/d, e/e, n/KB (Certificate included)

Stacey Coldham Canadian Kennel Club Member # 1451533

- Payment for the stud fee is \$. A \$300 non-refundable deposit is required with 48hrs of signing to secure service and the balance is due prior to the breeding. Any remaining balance must be cleared before any service will be made available. Payment can be made in the form of cash or e-transfer. Currency is that of destination country.
- Shipping, shipping container, collection is included in the price and artificial insemination is also included if performed by the breeder. We allow up to two collections per heat cycle.
- The dam owner is required to notify the stud owner immediately at first sight of menstrual blood or swelling vulva.
- A repeat breeding will be offered if the dam fails to conceive, or if the dam has less than 2 puppies.
- In the event the dam does not conceive the bitch owner agree to have a veterinarian preform any additional requested re-breeds
- For a repeat breeding to be offered, the dam owner must
 - Notify the Stud owner in writing no later than 50 days after first breeding, if no pregnancy results from mating.

- A Veterinarian report of X-ray or Ultrasound of the dam at 56 days after insemination. (Name of dog, microchip # and date must be present on x-ray)
- If the bitch fails to conceive on the return service, the bitch owner agrees to runs vaginal culture on her next heat in order to receive a third stud service. If the bitch fails to conceive the third time, this contract is terminated, unless otherwise agreed upon by both parties.

All the above must be completed within 90 days after first breeding takes place.

- In the event a stud credit is issued, this can be used at any time in the future on any French bulldog owned by the dam's owner, as long as Astro is in good health and able to provide collection. The stud credit/service cannot be resold or transferred without the stud owner's consent.
- The dam's owner is responsible for securing a back-up stud in the event the studs semen specimen is unavailable due to unforeseen circumstances (health issues, shipping/weather conditions, spillage, etc.). The stud owner is not liable for costs if this occurs. The dam's owner agrees to monitor shipment tracking and contact Fed-Ex in the event of a shipment delay.
- A re-breed will not be offered in the event the bitch owner neglects puppies and/or does not provide proper care and/or nutrition for puppies resulting in loss of life.
- All materials, shipping, and inseminations will not be covered by breeder on a repeat stud service.
- Non-Disclosure Clause: All information pertaining to this contract is to remain confidential between the two parties. No information herein may be shared without the stud owner's consent. This agreement has an expiration of 18 months from the date of signing.
